

FELICIA A RUMPH, LMSW

Felicia Rumph obtained her Master's degree in Social Work at Springfield College School of Social Work. She has over 25 years of experience working as a Medical Social Worker in both Acute Inpatient and Outpatient hospital settings providing services from pediatric to geriatrics from diverse populations. Felicia also has leadership experience, co-chairing the Excellence Committee for the Ambulatory Division for 500 employees. Additionally, Felicia was an adjunct teacher at Gateway Community College for several years. Felicia taught a course entitled, "Patient Navigation in the Healthcare System" where she taught students how to identify barriers that impeded upon at-risk and underserved populations and how to access community resources. Felicia also provided mentorship opportunities in order to reinforce classroom discussion. Lastly, Felicia has years of experience working as a Clinical Therapist utilizing goal-oriented evidence based therapeutic approaches involving Dialectical Behavioral Therapy, Cognitive Behavioral Therapy, Motivational Interviewing, and Mindfulness Practices. Specialties: Attention Deficit anger management, trauma, grief and loss, anxiety, depression and other mental health issues.

Additionally, Felicia's work experience includes:

Clinical Social Worker

Child and Family Advocacy
